

Gathering/Membership Dues Scholarship Application

6/1/2021

The mission of Women Outdoors is to provide a supportive environment where all women can have fun and challenge themselves in a community of women who love the outdoors while respecting the Earth.

One way we strive to fulfill that mission is by offering need-based financial support to allow women to cover the organization's yearly membership fee or to attend the annual Gathering. This is the application for such financial support.

In addition, we offer need-based scholarships to assist in preparing Women Outdoors members to participate in and lead outdoor activities, be it through leadership training, outdoors activity-focused training, certifications, or education. Please use the longer Scholarship Policy and Application Form for such financial aid.

Scholarship Availability: Available scholarship funds vary from year to year. We do our best to help as many women as possible, but there is no guarantee that every applicant will receive a scholarship.

Scholarship Deadlines for:
